

GRAND HYATT ATLANTA  
IN BUCKHEAD

*Our Commitment  
to you*

# OUR COMMITMENT

Guided by Hyatt's purpose of care and experience delivering world-class hospitality for more than 60 years, our Global Care & Cleanliness Commitment further enhances existing operational guidance and resources around colleague and guest safety and peace of mind. This multilayered commitment will build on Hyatt's existing rigorous protocols and include an accreditation process by the Global Biorisk Advisory Council (GBAC) at all Hyatt hotels around the world, colleague training and support resources, and a cross-functional working group of medical experts and industry professionals that will contribute to various aspects of the hotel experience.

For more information, visit our [Global Care & Cleanliness Commitment](#) page.

# GENERAL PROCEDURES

- **Masks are presently required for guests**, regardless of vaccination status, in compliance with current CDC guidelines. Masks may be removed while eating or drinking and when social distancing.
- Hotel colleagues are required to wear masks, regardless of vaccination status.
- All hotel staff have completed training on proper cleaning and safety procedures
- Increased frequency of cleaning and sanitation of all high touch event equipment
- Regular laundering of all fabric materials, including table linen, napkins and uniforms
- Restrooms cleaned and sanitized hourly
- Masks, tissues and hand sanitizer will be readily available at all meeting and meal events
